---

B.A. in English from WVU, with a background in the medical field as an Army *Combat Medic* and veteran of Operation New Dawn. Currently maintaining an up-to-date EMT-B certification and secret security clearance. Acquired experience working with a non-profit organization as a VISTA Volunteer, Sales Rep at AI Life Insurance Co., waiting tables, volunteering at a hospital, and teaching children in literacy programs.

## EDUCATION

B.A. English, WVU, Morgantown, WV **2013**

Furman University, Greenville, SC **2006**

## WORK EXPERIENCE

American Income Life **2013**

—Earned license to sell life, accident, & sickness insurance.  
—Sold policies as a Sales Representative across WV.

U.S. Army **2009-Present**

—Trained and deployed as a *Health Care Specialist/Combat Medic* in Operation New Dawn.

—Performed: minor medical operations in field and clinical settings, medical record keeping, and general care of soldiers under the direction of a licensed medical officer.

—Provided emergency medical aid for local nationals, Iraqi Army, Kuwaiti Police and civilian contractors at my capabilities and discretion outside of hospital setting.

VISTA (Volunteers In Service To America) **2008**

—Wrote grants, worked with a team and was responsible for publicity and communications at The Old Brick Playhouse, a non-profit organization in Elkins, WV.

## CERTIFICATIONS

Emergency Medical Technician certification

—Acquired basic skills for performing medical care at the scene of an accident and during transport to a hospital or higher medical provider.

Secret Security Clearance

—Grants accessibility to any documents or information labeled at the Secret or Confidential level.

## OTHER EXPERIENCE

In youth, lived and traveled extensively in Europe. Attended foreign elementary school. Accrued over 300 volunteer hours working with non-profit organizations, teaching literacy programs to children, assisting direction of community theatre, Davis Memorial Hospital in Elkins, WV. Waited tables at five restaurants, handling money and working with the public.
